APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A substantial headgate and weir must be installed and maintained at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any time and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed

0.05 cubic feet per second.

Actual construction work shall begin on or before June 10th, 1923

Proof of commencement of work shall be filed before July 10th, 1923.

Work must be prosecuted with reasonable diligence and be completed on or before June 10th, 1924

Proof of completion of work shall be filed before July 10th, 1924.

Application of water to beneficial use shall be made on or before

January 10th, 1925 Proof of the application of water to beneficial

use must be filed with State Engineer on or before February 10th, 1925.

Proof of labor filed JU. 10 1923

WITNESS MY HAND AND SEAL this 10th day

of January, 1923.

Withdrawn by applicant *March 1, 1927*
